# The eternal adventure

Annual Australian Urantia Book readers conference

Hosted and organised by the Melbourne Study Group and sponsored by ANZURA

### About the Theme:

#### THE ETERNAL ADVENTURE

*Your short sojourn on Urantia, on this sphere of mortal infancy, is only a single link, the very first in the long chain that is to stretch across universes and through the eternal ages. (The Urantia Book p.435:6)*

*The adventure of divinity attainment lies before you! The race for perfection is on! (p.365:4)*

*"...but rather shall your religion become the fact of real experience which testifies that God has found you, idealized, ennobled, and spiritualized you, and that you have enlisted in the eternal adventure of finding the God who has thus found and sonshipped you." (p.1733:6)*

You have just started on the Eternal Adventure. What has been your adventure so far? What lies ahead? Where will your eternal adventure take you...?

During the course of the weekend we will be exploring various aspects of our eternal adventure such as the beginnings of the adventure, the destination of the adventure, steppingstones of the adventure, the physical realms of the adventure, the destination of finalizers, and the physical life in relation to the kingdom of heaven.
