Saturday 18 October

6 – 7 am	Activities
7 – 8 am	Breakfast
9 am	Parental longing – the love of parents for their children. "The love of the Father absolutely individualizes each personality as a unique child of the Universal Father, a child without duplicate in infinity, a will creature irreplaceable in all eternity." [p.138:4]
9:30 am	What is this moment of opportunity we each have? Can knowing what and why we are, change the way we dare to live? Can spiritual illumination enhance our capacity to serve? If we are the (slow-motion) Personalization of an Adjuster, and this Adjuster is "an absolute essence of an infinite being", what capacity for unique service, for goodness, truth and beauty, lies within each of us?
9:45 – 10:30	Begin the exploration of Thought Adjusters. Some attendees each read a powerful paragraph – about our Father, the fragments of Himself he gives to us, and the opportunity this implies – then describe the meaning and value they notice in these mere words.
10:30 – 11 am	Morning tea
11 – 12 noon	A moment of opportunity. Explore the nature of us, our Father, and our relationship with Him. Why did our Father need space and time to make us possible? Why did He need His Creator Sons to midwife our birth? When Jesus spoke of doing his Father's work, what did he mean? How can the Fifth Epochal Revelation help foster Michael's plan?

Saturday 18 October cont.

12 – 2 pm	Lunch & free time
2 – 3:30 pm	Study Group: Paper 107 – The Adjuster and the Soul Discuss the possibilities of group study of the Urantia Papers. Introduce a technique to enhance the potential of group study: allowing Adjuster participation to foster insight, respect, and mutual illumination. Then read what this revelation reveals about our Soul.
3:30 – 4 pm	Afternoon Tea
4 – 5:30 pm	Study Group continues: illumination by our Adjuster reflects within, as love and the light of insight. Can we share these gifts? Can they help us to serve? Will shifting our "seat of identity" into our souls help us to bring love, light and life into this world? Did Jesus shift? Did Gautama Siddhartha? Did Lao-tse? Did Abraham Lincoln?
6 – 7:30 pm	Dinner
8 – 10 pm	Skits / Amateur Hour
10 – Late	Music
