 Vaughan Park Retreat and Conference Centre,
 1043 Beach Road, Long Bay, Auckland City 0630, New Zealand
 3-6 October 2014

4778 DESIGN DIRECTION

Vaughan Park Anglican Retreat Centre

We invite you to join us at this year's ANZURA conference to celebrate together all of God's gifts to us, and to explore how, individually and together, we may live our lives on Urantia more creatively.

It is hoped that this ANZURA conference will provide opportunities to:

- Rejoice in the spiritual riches bestowed upon us
- Share our unique attributes in an outpouring of creativity
- Discover talents we didn't know we had
- Learn new ways of leading people to the Father.

The conference programme will include a mixture of presentations, study groups, workshops and creative activities. One part of the conference will allow participants the space to bring forward for exploration and discussion the ideas related to the theme that are dearest to their hearts.

About the conference theme

As the days pass by, every true believer becomes more skilful in alluring his fellows into the love of eternal truth. Are you more resourceful in revealing goodness to humanity than you were yesterday? Are you a better righteousness recommender this year than you were last year? Are you becoming increasingly artistic in your technique of leading hungry souls into the spiritual kingdom? [Paper 156:5.15, page 1740:2]

The conference, in October 2014 in Long Bay, Auckland, New Zealand, provides an exciting opportunity for New Zealand readers to welcome our Australian friends/ brothers and sisters to our fair shores to join with us in expressing our deep gratitude for the gifts that the Father has bestowed upon us, and discovering together new ways of living a creative religious life.
