# The Goodness of Love

the Keystone to Reality

1-4 Oct 2021

Australia and New Zealand Urantia Book Readers' Annual Conference  
Peter Canisius House,  
102 MonaVale Road, Pymble, NSW, Australia  
1-4 October 2021

The grounds and facilities of Peter Canisius House

We invite you to join us at this year's ANZURA conference which is being held on a beautiful five-acre retreat centre on Sydney's leafy North Shore.

### About the conference theme

*Truth is coherent, beauty attractive, goodness stabilizing. And when these values of that which is real are co-ordinated in personality experience, the result is a high order of love conditioned by wisdom and qualified by loyalty.* [Paper 2:7.12, page 43:5]

*The Urantia Book* tells us that *...health, sanity, and happiness are integrations of truth, beauty, and goodness as they are blended in human experience* [Paper 2:7.11, page 43.4]. At the conference we will be exploring how we examine and process the wonderfully mysterious universe that embodies and surrounds us. When we understand that *...truth is coherent, beauty attractive, goodness stabilizing*, and when we wholeheartedly embrace these values into our personal experiences, they can be likened to vitamins contained in a healthy balanced diet as they boost the immune system of the soul and help to ward off dysfunctional diseases that stunt our spiritual growth.

When we embark on the quest for the highest value and eliminate the selfish qualities of love, we have the potential to contribute to the creation of finite reality in our own incredibly unique ways. When we become more real—more balanced in our personalities—we come close to understanding that the keystone to reality is the highest value of all—the Goodness of Love.

*...man's nearest and dearest approach to God is by and through love, for God is love.* [Paper 3:4.7, page 50.5]

*The highest moral choice is the choice of the highest possible value—to choose to do the will of God.* [Paper 39:4.14, page 435.7]

**Venue** Peter Canisius House is a retreat centre conveniently located on a five-acre site in Pymble on Sydney's North Shore. Although it's situated in the heart of suburbia you wouldn't know it. As you drive into the property you might think you were out in the country. The site is steeped in history and was established by the Order of the Society of Jesus which is better known as the Jesuits. Their vision is to "Provide outstanding hospitality to our guests to share and experience a spirit of quiet and a sacred place to engage in spiritual conversations."

**Catering** All meals are provided from Friday dinner to Monday lunch along with morning and afternoon teas. The meals are prepared daily by in-house chefs and morning and afternoon teas are freshly baked. Tea and coffee are available 24 hours a day.

Special dietary requirements such as vegetarian, vegan, coeliac and lactose-free meal options are available upon request. (Please indicate on the registration form.) Other food allergies and requirements may be able to be catered for.
