

Welcome to the shores of Paradise

The Urantia Book Australian Conference 1993

9 AM Saturday October 2 to 12 PM Monday, October 4

At

Nara Resort, Gold Coast, QLD

The Theme

Welcome to the shores of Paradise

“you may be certain of being warmly welcomed when you experience the resurrection into eternity on the everlasting shores of Paradise” (283)

The Purpose

During our three day sojourn at this physical paradise we can share insights on how we envisage we can spiritually grow and traverse the realms of The Central Isle of Paradise.

The great challenge to modern man is to achieve better communication with the divine Monitor that dwells within the human mind. (2097)

Jesus developed superlative techniques to effect the process. He often engaged in solitary commune with the Father – to gather strength, to seek new stores of wisdom, to find better ways to subject his total personality to the consciousness of divinity contact.

In this and no doubt many other ways, Jesus resolved ordinary conflicts of living and also the higher problems of a moral and spiritual nature.

We are bid to do likewise.

If you sincerely run the race of time and gain the final goal of faith, the reward of the ages shall be yours (1225)
